

Hello Stained Glass Lovers:

Spring has sprung - well, not quite but it is on its way.

Spring always brings a time of renewed energy which we all can use. In the past few months our shop has been very busy and classes have filled up. I thank you all for your new and continued visits to our store. Our hope is to be able to meet your stained glass needs and wants in the continued future.

Friendship is one of our most valuable gifts, so get together with your friends and spend time at our shop making a stained glass project. Like your friendships the finished glass project will light up your life even more.

Spring Ahead with Stained Glass,

Judy Shumway

Owner

Upcoming Monthly Specials

April - 20% off In-Store Garden Art

May - 20% off Jewels

June - 20 % off Foil

Why Do We Say It?

Great Shakes. How did we come to say something of little importance is "no great shakes"? The term comes from shooting dice. If you "shake and throw a losing number it's certainly "no great shakes."

Second Quarter Classes

April

- 7th - Girlfriends Night Out; curvy scene; 5:30-7:30pm**
